

Add epoch0

To add an epoch to a study, select *Add epoch* button

The screenshot shows the 'Study details' form for study 10600. The form is divided into two tabs: 'Study details' and 'Associated study(s)'. The 'Study details' tab is active. The form contains the following fields:

- Alliance study number *: 10600
- Title *: 10600 - Treatment study
- Start date *: 07/01/2012
- Author: Admin BMS
- Clinical diagnosis: Start typing here

Buttons: Add >>, << Remove, Submit, Add epoch (highlighted with an orange box), Save study, Synchronize study.

Add epoch screen appears. It is initialized with a single row.

The screenshot shows the 'ADD EPOCH(S)' screen. The screen is divided into two tabs: 'Study details' and 'ADD EPOCH(S)'. The 'ADD EPOCH(S)' tab is active. The screen contains a table with the following columns: Label, Sequence. The first row contains 'Pre-Registration' and '1'. Buttons: Add more, Delete, Submit (highlighted with an orange box), Cancel, Save study, Synchronize study.

<input type="checkbox"/>	Label	Sequence
<input type="checkbox"/>	Pre-Registration	1

Enter Label and Sequence for the epoch and select *Submit*. To add more epochs, select *Add more* button. A new row is added every time you select the *Add more* button.

Study details

- 10603
 - Pre-Registration

Add more Delete

	Label	Sequence
<input type="checkbox"/>	Pre-Registration	1
<input type="checkbox"/>	<input type="text"/>	<input type="text"/>
<input type="checkbox"/>	<input type="text"/>	<input type="text"/>

Submit Cancel

Save study Synchronize study

Enter the *Label* and *Sequence* for the new rows and select *Submit* button. Note that for a study label of an epoch, sequence are unique. Hence, no two epochs may have the same *Label* or *Sequence*.

Study details

- 10603
 - Pre-Registration
 - Remission Induction Therapy
 - Midostaurin

Add more Delete

	Label	Sequence
<input type="checkbox"/>	Pre-Registration	1
<input type="checkbox"/>	Remission Induction Therapy	2
<input type="checkbox"/>	Midostaurin	3

Submit Cancel

Save study Synchronize study

Once you select *Submit*, labels of the epochs are displayed in the tree structure.
